Dear [REDACTED]

This is to confirm informal arrangements made on 21 March 1962 for a speaker to be designated by the Central Intelligence Agency to deliver a presentation on "The Role of CIA in Counterinsurgency" to our special two-week summer course for senior Marine Corps officers on counterinsurgency operations.

As can be seen in the enclosed syllabus, we are placing emphasis during the first week on the planning and coordination for a counterinsurgency program that would occur at the Country Team level. A presentation similar to the one to be given to the Foreign Service Institute on 26 June 1962 would be quite suitable.

This period of instruction is scheduled for 1030 to 1220 on 3 August 1962, including a short break, and should provide for a terminal question period. Your speaker may, of course, use the time as he sees fit.

Details concerning the visit of your representative will be handled in subsequent correspondence.

I earnestly hope that your commitments enable you to provide a speaker and that we may have the pleasure of welcoming a member of the Agency to Quantico.

Sincerely yours,

A handwritten signature in cursive script, reading "E. W. SNEDEKER".
